Pass rate of 82.4 per cent in Society's summer registration examination

The pass rate in the Royal Pharmaceutical Society's 2003 summer registration examination this year is 82.4 per cent. The number of candidates was 1,537, of whom 1,266 were successful.

The examination was the second to be held following the introduction of a revised syllabus and a new format. In 2002 the number of candidates was 1,499 and the pass rate was 94.8 per cent. In the new separate sec-

tion of calculation questions, which candidates have to pass in addition to passing the examination as a whole, 91.9 per cent of candidates were successful compared with 97.7 per cent in 2002.

Of this year's 1,537 candidates, 1,388 were United Kingdom graduates or sandwich course students, of whom 1,178 passed (84.9 per cent) and 210 failed (15.1 per cent). The remaining 149 candidates were pharmacists from overseas seeking to regis-

ter through the adjudicating route. Of these, 88 passed (59.1 per cent) and 61 failed (40.9 per cent).

For 245 of the 271 candidates who failed, this summer's examination was their first attempt. For 15 of the failed candidates it was the second attempt, and for 11 it was the third attempt.

The next sitting of the examination takes place on 26 September.

ALCOHOL OR DRUG PROBLEM?

Do you have a problem with alcohol or drugs? Do you know of a pharmacist colleague who has? Confidential help is available through the Pharmacists' Health Support Scheme. Telephone the Royal Pharmaceutical Society's welfare officer, Mrs Beverly Nicol (tel 01323 890135), who will in confidence give the telephone number of the scheme's independent national co-ordinator or one of its regional referees. Alternatively, you may call the national co-ordinator's direct helpline (tel 01926 315138).

TRIBUTES

Bussell In a tribute to the late Louise Ross Bussell (*PJ*, 5 July, p32), MARGARET MARTIN writes: I was sad to hear about the death of Louise Bussell. I knew her in the 1950s when we both worked at Boots. She was a nice person to work with and had a good Welsh sense of humour — she was a lovely lady. I hope she will now be reunited with her fiancé, who died so many years ago.

Young In a tribute to the late Graham Young (see Column 2), TIM COAKER, chairman of Cambridgeshire Local Pharmaceutical Committee, writes: We were all saddened to hear of the death of Graham, who had been such a significant part of Peterborough health care for 30 years.

Graham was able to demonstrate his complete commitment to the local population by being available 24 hours a day, seven days a week. I visited him three weeks before he died and although he was very ill he was still concerned about his customers and how he could be involved in any local pharmacy activities.

Graham was a modest man who was ready to put himself out for fellow pharmacists, general practitioners and anybody who needed his help and support. He was rarely away from his pharmacy or flat above the premises and to him, a break was to sit on the wall outside chatting to passers-by.

Graham had a great love for early 1960s music, which I am sure was a way for him to escape when he had an opportunity.

Graham will be sadly missed by all who were involved with him in Peterborough. Our thoughts go out to his "family" who were the people who had worked for him over the years.

Communications to the Royal Pharmaceutical Society of Great Britain should be addressed, except where otherwise stated, to the Secretary and Registrar, Royal Pharmaceutical Society of Great Britain, 1 Lambeth High Street, London SE1 7JN (tel 020 7735 9141; fax 020 7735 7629).
