CORRECTIONS

Drug interactions

The "Drug interactions" panel that appeared in the 24 May issue (p630) was written by Karen Baxter, editor, and Alison Marshall and Jennifer Sharp, staff editors, 'Stockley's Drug Interactions'. In the table, a typographical error meant that azithromycin was incorrectly spelt.

Letters of congratulations

The telephone number stated in the **Notice-board** panel in the 24 May issue of *The Journal* (p621) was incorrect. Royal Pharmaceutical Society members who have been registered for 50, 60 or 70 years and who have not received a letter of congratulations from the

President of the Society are invited to call the Society's registration section on 020 7572 2322. *The Journal* was supplied with incorrect information.

Paul Brettle

Our correspondent Paul Brettle (*PJ*, 24 May, p625) should have been designated "RGN" not "SGN" as printed.

Society AGM

In last week's report of the Royal Pharmaceutical Society annual general meeting (*PJ*, 31 May, p671) a comment was attributed erroneously to John Page. The comment was made by Ron Pate (Dudley and Stourbridge branch).
