

Spot the difference

See if you can find 10 differences between these two photographs from last year's British Pharmaceutical Conference. Send in either a list of the differences, or this page (photocopies accepted) with the differences circled. The winner will be drawn on 31 March and will receive a £50 music/book voucher. Entries should be marked "Spot the difference" and should include name, address and daytime telephone number. They should be sent to The Editor, *Tomorrow's Pharmacist*, 1 Lambeth High Street, London SE1 7JN. Please do not send any other material with the entry. The editor's decision is final. The winner will be contacted by telephone.
